FCT SERIES FAUCETS

FCT SERIES FAUCETS

Simply no better faucet available! With Liquatec Products complete line of faucets there is no need to search from distributor to distributor for the right faucet for your application. We have simple styles like goose neck, long reach, tall spout and standard to designer like our CL15, EC32 and EC25 Elegant ceramic faucets. Our fantastic 2 in 1 Modena and Aqua faucets for the whole sink will save space and give your customers kitchen a 21st century look. Many colors are standard such as Chrome, Red, Black, White, Ivory and Gray with new colors for the designer in mind such as Satin Nickel, Brush Nickel, Antique Wine and Antique Brass. With all the new kitchen styles today it is hard to keep up, but contact your local distributor for the color of your choice and we will see what we can do
